Re: Citizen Action Letter, RCW 42.17.400(4)  
Dwight Pelz, 2005 King County Council Campaign

Dear Attorney General McKenna:

This letter concerns Dwight Pelz and his campaign for King County Council, Position 5, for the November 8, 2005 general election. Mr. Pelz was the incumbent in that office, but did not file for re-election in July 2005. Instead, Mr. Pelz unsuccessfully ran for the Seattle City Council in the November 8, 2005 general election.

I am sending this written notification pursuant to the citizen action provisions of RCW 42.17.400(4) to inform you that I have reason to believe that Dwight Pelz may have violated the provisions of RCW 42.17.080 and RCW 42.17.090 by failing to timely report tens of thousands of receipts and expenditures, by omitting several required monthly and other periodic reports altogether, and by entirely failing to report the disposition of at least \$10,521.65 in surplus campaign funds. In addition, you should investigate to see if the unreported disposition of this \$10,521.65 of surplus fund complied with RCW 42.17.095.

Mr. Pelz filed a C1 candidate registration form with the Public Disclosure Commission (PDC) on April 3, 2002, seeking re-election to King County Council Position No. 5. As of September 30, 2004, based on his C4 report filed on October 10, 2004, Mr. Pelz had raised \$38,304.05 and spent \$27,782.40, with a cash balance on hand of \$10,521.65. Mr. Pelz did not file any reports for the period after September 30, 2004.

Mr. Pelz's failure to file any reports for the period after September 30, 2004 is extremely alarming. Under RCW 42.17.080(2)(c), Mr. Pelz would have had to file monthly C4 reports, with Schedule A and any other required supporting schedules, if he received more than \$200.00 in the aggregate after September 30, 2004 OR if he expended more than \$200.00 in the aggregate after September 30, 2004.

In addition, even if Mr. Pelz did not receive or spend a penny after September 30, 2004, he would have been required to file 7 day and 21 day pre-election C4 reports prior to both the September 20, 2005 primary election and November 8, 2005 general election. These reports would have been due on August 30, 2005, September 13, 2005, October 18, 2005 and November 1, 2005. These reports either had to show that Mr. Pelz still had this \$10,521.65 on deposit, or shown all receipts and expenses since the previous report, no matter how large. Mr. Pelz did not file these reports, violating RCW 42.17.080(2)(a).

Honorable Robert M. McKenna -- Page 2

Under RCW 42.17.095, since Mr. Pelz did not actually file for re-election to the King County Council, every penny of this \$10,521.65 would be considered surplus campaign funds, and could be disposed of only as allowed under RCW 42.17.095 (which strictly limits what former candidates can do with surplus campaign funds). Without Mr. Pelz filing any reports for the period after September 30, 2004, it cannot be determined whether he complied with RCW 42.17.095. This issue needs to be carefully investigated.

Furthermore, under RCW 42.17.080(5), the general public had the right to inspect Mr. Pelz's campaign finance books and records for his 2005 King County Council campaign for the eight day periods immediately preceding both the September 20, 2005 primary election and the November 8, 2005 general election. The public was denied this right, because the C1 candidate registration form filed by Mr. Pelz with the PDC on April 3, 2002 did not contain the address and hours of the day that Mr. Pelz's campaign books and records would be open to public inspection, as required by RCW 42.17.040(2)(i), nor did Mr. Pelz ever file a subsequent C1 with the PDC containing this information.

Mr. Pelz was also untimely with numerous of his monthly C4 campaign finance reports, or did not even bother to file them at all, in the period before September 2004.

In April 2002, Mr. Pelz received \$4,033.00 and spent \$1,115.99. Under RCW 42.17.080(2)(c), Mr. Pelz had to file a C4 report and supporting schedules by May 10, 2002. Mr. Pelz did not file his C4 report until May 14, 2002, or 4 days late.

In June 2002, Mr. Pelz received \$1,082.00. Under RCW 42.17.080(2)(c), Mr. Pelz had to file a C4 report and supporting schedules by July 10, 2002. Mr. Pelz did not file his C4 report until July 11, 2002, or 1 day late. Mr. Pelz also omitted his Schedule A for the period of May 1, 2002 through June 30, 2002, and has not filed this to date. This Schedule A now happens to be some 3 years, 6 months, and 17 days past due.

For the period of November 1, 2002 to January 31, 2003, Mr. Pelz received \$500.00 and spent \$116.67. Under RCW 42.17.080(2)(c), Mr. Pelz had to file a C4 report and supporting schedules by February 10, 2003. Mr. Pelz did not file his C4 report until February 11, 2003, or 1 day late.

In March 2003, Mr. Pelz spent \$2,203.08. Under RCW 42.17.080(2)(c), Mr. Pelz had to file a C4 report and supporting schedules by April 10, 2003. Mr. Pelz did not file his C4 report (which also included April 2003) until May 9, 2003, or 29 days late.

In February 2004, Mr. Pelz received \$1,440.92. Under RCW 42.17.080(2)(c), Mr. Pelz had to file a C4 report and supporting schedules by March 10, 2004. Mr. Pelz did not file his C4 report (which also included March 2004) until April 10, 2004, or 31 days late.

In May 2004, Mr. Pelz spent \$16,599.63. Under RCW 42.17.080(2)(c), Mr. Pelz had to file a C4 report and supporting schedules by June 10, 2004. Mr. Pelz did not file his C4 report (which also included June 2004) until July 11, 2004, or 31 days late.

In July 2004, Mr. Pelz spent \$631.00. Under RCW 42.17.080(2)(c), Mr. Pelz had to file a C4 report and supporting schedules by August 10, 2004. Mr. Pelz did not file his C4 report (also had August & September 2004) until October 10, 2004, or 61 days late.

In August 2004, Mr. Pelz spent \$1,001.00. Under RCW 42.17.080(2)(c), Mr. Pelz had to file a C4 report and supporting schedules by September 10, 2004. Mr. Pelz did not file his C4 report (also included September 2004) until October 10, 2004, or 30 days late.

If enforcement action is not commenced by filing a civil action in court in the name of the State of Washington, within forty-five days of your receipt of this written notification, I reserve my right under RCW 42.17.400(4) to give a second written notification that I will commence citizen's action in the name of the State of Washington over these matters if there has been further failure to so act within ten days of the receipt of such second written notification, and thereafter commence a civil action on my own initiative in the name of the State of Washington over these matters.

I am also forwarding a copy of this citizen action letter to the prosecuting attorneys of King County, since the King County Council race was conducted in that county, and to the Thurston County Prosecuting Attorney, since that is where PDC reports are filed.

Thank you for your careful attention in this matter.

Very truly yours,

Richard L. Pope, Jr.

RE: Richard Pope 45 Day Letter – Dwight Pelz

Dear Ms. Rippie:

The Attorney General's Office has received a complaint from Mr. Richard Pope against Dwight Pelz. The complaint alleges violations of the Public Disclosure Law, Ch. 42.17 RCW, and was filed pursuant to RCW 42.17.400(4). As you know, RCW 42.17.400(4) requires action on the complaint within 45 days of its receipt. In this case, the complaint was received on January 27, 2006. I understand that your office received a copy of this complaint the same day and as such, I will not provide you a copy.

As is customary with these types of complaints, we are referring the complaint to your agency for investigation. We will await the results of your investigation before proceeding further. In the event the Commission determines that it is appropriate to schedule an administrative hearing, please advise. Otherwise, I would request the Commission's recommendation with the report of investigation be forwarded to the Attorney General when it is complete. Please note that Mr. Pope has indicated that in the event action is not brought within 45 days, he will pursue a citizen's action under RCW 42.17.400.

I have been assigned the file in our office. I am available to answer any legal questions you may have during the course of your investigation.

If you have any questions, please do not hesitate to call me at (360) 753-0543.

Sincerely,

Re: Complaint filed by Richard L. Pope, Jr.

Following is my response to the complaint put forth by Richard L. Pope, Jr. concerning the Dwight Pelz 2005 campaign reporting.

**1. Missing reports from the 2005 County Council campaign.**

As Mr. Pope states, the campaign filed a C1 for King County Council Position #5 in April, 2002. At that point, Dwight Pelz was intent upon running for that position. However, recognizing that Initiative 18, which would reduce the number of Councilmembers from 13 to 9 and prompt a County redistricting, could very well pass, Mr. Pelz opted instead to run for Seattle City Council. He submitted his C1, indicating his entrance into the race, on March 4, 2004.

From that time forward, we neither solicited nor accepted any funds for the County Council Position #5 Race. The last donations we accepted for the Council race were received in October, 2003, and reported on the November, 2003 C4. To note, I did report interest on the March 10, 2004 report, for bookkeeping practices, but that was not officially a donation to the County campaign. For all intents and purposes, that campaign was considered defunct.

Following both PDC and Seattle Elections laws, we filed the mandatory C3's and C4's for the City Council race by the designated due dates.

Recognizing that the funds remaining from the County Council could be considered "surplus", I "disposed" of them following RCW 42.17.095. This states that such funds can be held for use in a future campaign for election to the same office last sought OR a different office if written approval from the contributor of the remaining funding is obtained.

The C4 reports dated September 10, 2004 and July 10, 2004 show that we transferred funds from the County Council race into the City Council race. As required under RCW 42.17.790, this was accomplished with a written statement by the contributor. I have attached a copy of such a letter for your files. Only funds approved by the contributor were transferred into the City race campaign bank account.

No reports were filed reports for the County Council race after September 2004 because again, Dwight Pelz was not running for the County seat, and this campaign was considered inactive. Those funds were not expended until January, 2006.

Mr. Pope asserts that pre-primary and pre-general reports for the now defunct County campaign bank account should have been reported to the PDC. As I understood it, only when campaigns received or expended more than \$200 must reports be filed. Because the inoperative County campaign did not receive or spend money during those periods, I did not file such reports. I apologize if I misunderstood the state rules concerning these filing dates.

**2. Inspecting of Campaign finance books and records for the 2005 County Council campaign.**

Public Disclosure Commission

The 2002 C1 filed for the County Council campaign indicated that a time for reviewing the books would be determined at a later date. Because the campaign was not active, we did not select a time for the viewing. The books would have been made available for inspection if Mr. Pope had requested an opportunity.

**3. Late reports from the 2005 County Council campaign.**

I will address each of these late reports separately:

1 – April 10, 2002 C4: This was mailed to the PDC on April 10, 2002, and a postmark on the envelope would have shown that it was “submitted” via mail on the due date.

2 – June 10, 2002 C4: This was mailed to the PDC on June 9 or June 10, 2002, and a postmark on the envelope would have shown that it was “submitted” via mail by the due date. I notice that the Schedule A is missing from the webpage, and I apologize if it was accidentally omitted from my mailing. The C4 shows that we spent no funds during the reporting time, and the necessary C3 reports were filed by the due date, disclosing the actions of the campaign from May 1, 2002 through June 30, 2002.

3 – February 10, 2003 C4: This was submitted to the PDC on-line via WEDS one day late.

4 – May 10, 2003 C4: This report contained transactions made from February 1, 2003 through April 30, 2003, and I chose to combine the two months’ activities together, which resulted in disclosing expenditures made in March 2003 one month late.

5 – April 10, 2004 C4: This report contained transactions made from November, 2003 through March 31, 2004 and I combined activities from February and March 2004 on this report. I was notified in March 2004 via Key Bank that we had accrued interest in our account and therefore reported this interest on the next C4. The expenditures made by the campaign were disclosed by the appropriate time period.

6- July 10, 2004 C4: This report shows transactions made from April 1, 2004 through June 30, 2004. Dwight Pelz had filed for the Seattle City Council race and was actively raising money for that campaign. This report shows that, as allowed under RCW 42.17.790, we transferred funds into the City Council race. I chose to combine the two months’ activities together, which resulted in disclosing expenditures made in May 2004 one month late.

7 – October, 2004 C4: This report shows transactions made from July 1, 2004 through November 30, 2004. The County Council campaign was now defunct, as Dwight Pelz’s Seattle City Council race was in full swing. This report shows that, as allowed under RCW 42.17.790, we transferred funds into the City Council race, and these transfers were shown on the appropriate C3 reports. My focus was on filing the City Council campaign C3 and C4 reports, rather than the County Council race, and I apologize that this resulted in my filing the report late.
